OBJUSE

Passive Resistance Techniques

REFERENCE: SCAA-13781, 25 Jan 1955

1. Attached is an Operational Aid on Passive Resistance Techniques which will partially meet the request contained in reference. Due to the special nature of this OA permission has been granted for the field to retain it indefinitely instead of destroying it within sixty days of the date of dispatch as is usual with OA's.

2. There has been a change of emphasis in the policy governing all denied area propaganda. As a new guidance will be sent to the field on the subject in the near future, we are reserving our comments at this time.
